Insurance Corp. and Standard Insurance Company. We would appreciate the Department's consideration of consistent and similar reviews.

Dear Sir/Madam:

We understand that the initial reforms in the federal Patient Protection and Affordable Care Act are not intended to apply to standalone dental or vision policies; however, we have developed language in our policy to allow for applicants and policyholders to elect to align their dental benefit age with their new medical policy definition of dependent, if they choose. Our currently approved dependent language will remain in the policy unless the policyholder chooses this alternate definition. To identify these options as variable, there are brackets around both definitions of dependents. Only one option can be elected.

Enclosed for your review and approval are our "Definitions" insert pages, which will be issued for new group policies/certificates issued or renewed after the Department's approval date. These forms will be used with the following forms:

Form Number Type of Form
9000 Rev. 03-08 Group Master Policy
9021 Rev. 03-08 Group Certificate
9021-Trust Rev. 03-08 Group Certificate

These insert pages will replace 9060 Ed. 01-05 approved on 11/08/04 and 9060-Trust Ed. 01-05 approved on 12/06/04.

We have also enclosed an Implementation Credit Rider for our tailored product (not to be issued with trust or blanket). We are preparing to offer an implementation credit to some of our prospective groups to help off-set the cost of transferring to our company from another carrier. We anticipate the use of this form in very rare occasions. The 9011 Ed. 05-10 is a new form and was created to disclose this credit.

Nothing in this filing includes any provisions contrary to standard industry practice.

Thank you for your review of this filing. If you need anything additional, please feel free to contact me at 800-745-1112, ext. 82444, FAX 402-309-2573 or email jlandon@ameritas.com.

Dear Janis Landon,

This will acknowledge receipt of the captioned filing.

Objection 1

- Implementation Credit Rider, 9011 Ed. 05-10 (Form)

Comment:

You state in your General Instructions that this rider will be used to help off-set the cost of transferring to your company from another carrier. Could you give us more information on the "cost of transferring"? For example, what does the cost consist of and how much is this cost?

Also, please explain how this cost does not constitute a rebate as outlined under ACA 23-66-206(10)(A) and Directive 5-98.

Please feel free to contact me if you have questions.

Sincerely,

Rosalind Minor

Dear Rosalind Minor,

Comments:

RE: Your comments

Response 1

Comments: The costs will vary depending upon the circumstances of the particular case. However, the costs will be related to both hard and soft dollar outlays associated with the transfer of carrier. For instance, employer's expense in changing to a new carrier -things like programming changes to transmit eligibility to new carrier, transfer of eligibility and claims history, communications to employees, SPD updates.

The implementation credit isn't a rebate because it's disclosed in the contract. The Directive relates to the giving of gifts. This isn't a gift. This is provided to the entity to offset costs. When all is said and done, the policyholder is in the same position they were in prior to the transaction.
